

QUALITY POLICY STATEMENT

West Atlantic Shipyard is fully committed to providing Quality services to our esteemed customers in the field of vessel repair and maintenance. This quality policy statement is appropriate to the purpose of the organization, context of the organization, and its supports the organization strategic direction.

Our priority is to ensure that our services satisfy applicable requirements relevant to the vessel repairs and maintenance industry.

We are committed to adopting the ISO 9001:2015 quality management system standard to continually improve the organization quality management system relevant to the organization scope of services.

To ensure sustainability of service quality, we establish quality objectives at corporate, processes and other relevant levels within the organization.

This policy is communicated to all staff of West Atlantic Shipyard, and relevant interested parties.

Charles MAHER
General Manager
